Camper Registration

We gather as many facts as we can during the camp registration process, however, additional information may need to be communicated to us! Please convey the information in written form, mailed to:

Club SciKidz
2726 Bissonnet #240-176
Houston TX 77005

Camp Structure

When you pick up your activity schedule on the morning of the first day of camp, you will notice some changes.

- **If your 4 or 5 year old is signed up for the 1/2 day program, they will be engaged in three science sessions in the morning.**
- **Our outdoor component has been moved to the afternoon and is 40 minutes long.**
- **Parents will have an opportunity to meet their camper's counselor.**

Our goal is to strike a balance between academic, social, and recreational pursuits.

What to Send to Camp

Snacks, lunch, and drinks for each day.
Small water bottle for hydrating during outdoor activities.
Hat and sunscreen.
(Don't forget the sunscreen waiver.)

What not to Send

NO CELL PHONES, iPods, Game Boys, jewelry, cash or other valuables.

Club SciKidz will not be responsible for items that are lost or stolen.

Preferred Camp Apparel

Please dress your camper in comfortable clothing (shorts are best!) and sneakers. Campers will receive a complimentary **Club SciKidz** t-shirt on the first morning of camp - the t-shirt is to be worn each day! We feel that wearing the t-shirt will give campers a sense of belonging and will help them relate to each other. Additional t-shirts may be ordered for $12 each.

Drop-Off & Pick-Up

Regular MORNING Drop-Off is between 8:30-9am. If your camper is attending our Pre-Camp Program, they are to be dropped off at 8am.

Look for **Club SciKidz** signs directing you to the appropriate entrance for your camp facility. Each location will have a registration table for sign-in. Make sure that you receive your unique ID# and pick up a copy of the Activity Schedule for your camper's themed camp.

If your camper must leave early, please notify the Camp Director of this in writing!

Please pick your camper up promptly at 4pm, unless he or she is attending the Post-Camp Program.

Summer Camp Forms

All summer camp forms are available on our website. Go to the summer camps main page to access the following:

- Parent and Camper Evaluation
- Summer Camp Planner
- Authorization for Administration of Medicine
- Scholarship

NOTE! Once camp is over, we suggest that you go online and fill out the Parent/Camper Evaluation as soon as possible!

Just a Few More
CAMP RULES

Personal Belongings

Club SciKidz is NOT responsible for personal belongings brought to camp. Please label all of your camper's items, such as lunch box, water bottle, etc.

Camp Visitations

Parents may visit on Friday afternoons, when campers enjoy showcasing their projects. Robot competitions, rocket launches, and video game presentations are a fun way to end the week. Friday is our special event day when we really like to have tons of fun!

Camper Safety #A249XF3881GBO

Parents must present their camper's unique ID number when picking up their camper. Parents are not permitted beyond the registration desk into the classrooms. We will bring your camper to you for dismissal. If you would like to talk to your camper's counselor, just let us know.

Club SciKidz Summer Camps

Camper Welcome Packet

It's all about your camper's Health and Safety

In order for our Camp Directors to administer medication to your camper at any time during camp, you and your camper's physician MUST complete the "Authorization of Medication" form.

Medication must be sent to camp in its original bottle. The medical authorization form, along with several other forms, can be downloaded from our website.

If your camper is ill and will not be attending camp, please notify the Club SciKidz main office.

Please do NOT send your camper to camp if he/she is not feeling well.

If your camper becomes ill during camp, we will use the emergency contact numbers you have provided.

Anytime you are visiting the camp, please have your **camper's ID number** and enter the main entrance of the building.

Remember that parents are NOT permitted beyond the registration table. You will be issued a name tag if you attend a Friday event day.

Campers must bring their own lunch, drinks, and snacks each day. Please do NOT send items that must be heated in the microwave oven. Also, we do NOT have refrigeration at most locations, so a cold pack included in the lunch box is a good idea.

Due to food allergy concerns, please refrain from packing peanut butter or other nut products.

Your camper has some exciting times ahead, as they anticipate a week of unique hands-on/minds-on inquiry based projects and experiments.
